Owner's Consent - Owner's consent for the property to be supplied

C1

Case number: _____

I, _____ the undersigned, as the owner and usufructuary of the property specified below, consent to the relevant electricity distribution network licensee installing a connection device on my property as defined in Section 3(6) of Act LXXXVI of 2007 on Electricity („VET”) (e.g., placing a connection distribution cabinet / running an overhead line / laying an underground cable / placing a pole). I acknowledge that this consent is irrevocable and grants an easement right in favor of the electricity distribution network licensee as defined in Section 124 of the VET.

I acknowledge that based on this consent, the relevant electricity distribution network licensee is entitled to enter my property to operate, maintain, repair, modify, renovate, and develop the equipment placed on it, and to register the easement right resulting from my consent in the land registry.

The co-owner or usufructuary of the property to be supplied hereby irrevocably consents to the submission of this application, the conclusion of network contracts necessary for the fulfillment of the application, and the implementation of the application.
